

My Vision for My Home

Reflection

Go through the questions below for each room in your house (be sure to include any storage areas, garages, sheds and the like). What you're trying to identify here is the vision you have for your home. You can do this on your own or you can do it together with other members of your household. The answers will help WellSorted understand at what level you'd like to declutter and organise, as everyone's thoughts on this are different.

Remember, there are no right or wrong answers.

Room:
If I had a magic wand, what would this room look like? Write down how it looks. How much stuff you imagine in the space? Is it sparce or filled with things? Do you see boxes of things about? What activities do you want to be able to do in this room? What do you currently do in this room? What 'feel' do you want the space to have? E.g. cosy, relaxing, welcoming.
